***RE: L&M Construction Chemicals Co. Certification Approval***

*To Whom It May Concern:*

*This is to verify that the above mentioned company is certified by Laticrete International to install our FGS Permashine Flooring system and all its ancillary System components and materials. They are approved in systems and applications of Durafloor HP, HP Spartacote, SealHard, and other application technical training units for a period of two years from the above date.*

*Should anyone have any questions, please contact me at the number listed below.*

*Respectfully submitted,*

*Craig A. Jared
